Shimmer is made of 100% pure merino wool. A soft and insulating quality that feels comfortable against the body. Wool works well under most types of weather and conditions. In addition to being a natural product, wool has fantastic properties – it keeps you warm even when the garment gets damp, it is antibacterial, moisture-absorbing, elastic, and flame-retardant. The waistband is covered with wool, ensuring that every part of the set has wool quality directly against the body. The top has a close-fitting shape with a round neck and cuff on the sleeves. The high waist and elastic waistband on the pants ensure a good fit during all activities.

Technical description: 100% merino wool.
